 C#m A E
When I wander away from Your infinite grace

When I lay down my pride and forfeit my rights
And desperately turn to my knees
In the distance I'll find Your arms open wide
And You lavishly welcome me home
So I sing

"Hallelujah, Hallelujah, Hallelujah, Lord"

Verse 3

Through my fault You are faithful, in my weakness You're able
To see through the wreckage Your child
You look past the past and make first the last
And Your mercy is louder than shame
So I sing
