## Intro/Turnaround

| C / G / | Em / D / |

## Verse 1

**C**                    **G**                    **Em**                    **D**  
When mountains move                    and when they stay  
**C**                    **G**                    **Em**                    **D**  
You will remain                    You're never failing  
**C**                    **G**                    **Em**                    **D**  
When blessings come                    and when they wait  
**C**                    **G**                    **Em**                    **D**  
You stay the same                    You never fail me  
**C**                    **G**                    **Em**                    **D**  
In everything,                    help me believe

## Chorus 1

**C**                    **G**                    **Em**                    **D**  
In all things You are working for                    the good in me<sup>1</sup>  
**C**                    **G**                    **Em**                    **D**  
In all things every mountain high                    and valley low  
**C**                    **G**                    **Em**                    **D**  
I'll lay my story down                    In Yours alone I'm found  
**C**                    **G**                    **D**                    **D**                    *1<sup>st</sup> To Turnaround*  
I trust You're working to see the good in me                    *2<sup>nd</sup> To Bridge*

## Verse 2

In every trial, more trust is made  
You are my rock, my shield my strength<sup>2</sup>  
In every praise, in every fear  
These hands I raise, You're always near me  
Your glory reigns, I will believe

## Bridge

**Am**                    **Em**  
When my worry turns to doubt  
   **G**                    **D**  
and my world turns upside down I'll still believe  
**Am**                    **Em**  
When this battle rages on  
   **G**                    **D**  
and it feels like hope is gone I'll still believe  
**Am**                    **Em**  
When my words say "It is well"  
   **G**                    **D**                    *To Chorus 2*  
But my life's a living hell, I'll still believe

<sup>1</sup> Romans 8:28

<sup>2</sup> Psalm 18:2

*Chorus 2*

**C** **G** **Em** **D**  
In all things You are working for the good in me

**C** **G** **Em** **D**  
In all things every season of my life

**C** **G** **Em** **D**  
In all things You are working for the good in me

**C** **G** **Em** **D**  
In all things every mountain high and valley low

**C** **G** **Em** **D**  
I'll lay my story down In Yours alone I'm found

**C** **D** **Em** **D/F#**  
I know Your best will be more of You less of me

**C** **D** **Em** **D/F#**  
So make Your work complete<sup>3</sup> and let my heart believe

**C/E** **D/F#** **N.C.** **(HOLD)** *To Turnaround (X2)*  
that You are working to see the good in me
